Mr. Marc Mayrand, Chief Election Officer
Elections Canada
257 Slater Street
Ottawa, Ontario K1A 0M6

Dear Mr. Mayrand:

RE: Frank v. Her Majesty the Queen

We are writing to request information from you with regard to any complaints that may have been made to you under the *Canada Elections Act* with respect to Canadians voting from outside of Canada. We are particularly interested in knowing whether there have been any complaints about Canadians voting from abroad within the first five years of their residency outside of Canada (i.e. pursuant to Part 11, Division 3 of the *Canada Elections Act*). If you have received any such complaints, could you please provide us with details of the nature of the complaint(s)?

This request is urgent as it relates to our above noted litigation. This litigation is an application in Ontario Superior Court claiming that the provisions in the *Canada Elections Act* which prevent Canadian citizens who have been residing outside the country for five years are more from voting under the Special Voting Rules violate s. 3 of the *Charter*. Because of pending time lines established by the litigation schedule in our case, we would appreciate a response to our request as soon as conveniently possible.
