

## ROBYN WHITE

Robyn's practice focuses on labour law, education law and benefits, including workers' compensation. As part of her education law practice, Robyn works closely with teachers on collective agreement, benefits, human rights, professional regulation and criminal matters. She appears regularly as counsel and is also experienced in training trade union members. Robyn provides legal services in English and French.

Robyn joined the firm in 2008 after articling and summering with the firm. She is a graduate of the University of Western Ontario Law School.
